Agreed. Thanks
J 22 Mar 2000

Dear Gen Goh;

I apologize in taking so long to respond to your letter of January 27, 2000 offering an appointment as an advisor and consultant to ST Engg (USA), Inc. This letter replies to the offer and provides my acceptance of the appointment to be an advisor and consultant to carry out the following responsibilities:

- Assist in the identification and evaluation of possible marine related acquisitions and partnerships.
- Assist in guiding ST Engineering past US concerns of foreign ownership as it positions itself for military/government marine work and acquisitions.
- Assist and advise on the formulation of the strategy and approach for identifying business opportunities in the USCG Deepwater program.
- Assist in creating opportunities for ST Marine and ST Electronics to provide services to USN ships calling at the Changi Naval Base.
- Assist and advise on the development of the concept and strategy for obtaining military maintenance, repair, and overhaul work at the new Kvaerner shipyard in Philadelphia.
- Assist in creating business opportunities and market for ST Marine's new 140 meter Landing Ship Tank. ✓

As I have discussed previously, since I was within the one year period following my retirement, I was required to obtain permission of Secretary of the Navy and Secretary of State to work for ST Engg (USA), Inc. as the Government of Singapore is a partial owner. I have obtained Secretary of the Navy and Secretary of State permission. In my capacity as advisor I will not be able to represent ST Engg (USA), Inc. before U. S. Government officials nor can I distribute informational material on behalf of ST Engg (USA), Inc. (There are some situations where this would be possible, but probably counterproductive to your desired

goals.) I am also prevented from representing any business interest to the U. S. Navy for one year. I can provide advice, recommendations, and insight as well as develop an appropriate method of approach to accomplishing the desired objectives.

Providing the above limitations are satisfactory, I would like to add the following specific clarifications to the letter of January 27, 2000:

- This appointment will be between ST Engg (USA), Inc. and Caribou Technologies, Inc (my company) for the services of Archie Clemins.
- The appointment period will be from April 1, 2000 to March 31, 2001, renewable with mutual agreement.
- The retainer fee of U.S. \$5000 per month will be paid on the first of each month starting on April 1, 2000.
- A maximum of 30 days per annum shall be contributed to this appointment by Archie Clemins, President of Caribou Technologies, Inc. at times mutually agreeable with ST Engg, (USA) Inc.
- Either party may terminate this Agreement by providing the other party with thirty (30) days prior written notice of the termination. There will be no penalty or recoupment for termination. ✓

I hope these clarifications meet with acceptance. Providing they are, I propose that we both sign an agreement that accepts the premises in the January 27, 2000 letter as modified by the clarifications in this letter.

Sincerely,

Archie Clemins
